(Verse 1)

NC  BbmEb Db
Passion take the wind
  Bbm  Eb Db
And break me from this tie
  Bbm  Eb Db
We're mortals on the earth
  Bbm  Eb Db
Oh but god's up in the sky

(Verse 2)

  Bbm  Eb Db
I haven't got a clue
  Bbm  Eb Db
I haven't got a thing

```
                Bbm          Eb Db
But what I give to you
               Bbm             Eb Db
Is all that I could bring
```

(Interlude)

wooohoh Wooohoh Wooohoh
```

(Verse 3)

```
           Bbm               Eb Db
I'll give you all my time
               Bbm             Eb Db
That's ev 'rything to me
                    Bbm          Eb Db
You know my only crime
                   Bbm     Eb Db
Is this flight of fantasy
```

(Interlude)

```

(Chorus)

```
                              Gb               Ab
Because I've nothing else here for you
                             Db                  Gb
And just because it's easier than the truth
                            Gb                 Ab
Oh if there's nothing else that I can do
              Db2Db Db2-C#
I'll fly for you
```

(Chorus)

```
                              Gb               Ab
Because I've nothing else here for you
                             Db                  Gb
And just because it's easier than the truth
```

```
                          Gb              Ab
Oh if there's nothing else that I can do

(Chorus)

```
                          Gb              Ab
Because I've nothing else here for you
                          Db                Gb
And just because it's easier than the truth
                          Gb                Ab
Oh if there's nothing else that I can do
PICK
          Gb Bmb  Ab
I'll fly for you
          Gb Bbm  Ab
I'll fly for you
Ab
Ooh I fly
```

(Bridge)

```
Eb
I'm just an average boy
        Gb              Ab
You're more than an average girl
Eb                                  Gb
And when you sing to me the 'sho be doos'
      AbNC
You sing so well
Eb                                      Gb
And don't you know that when I'm under you
    Ab  B      Gb  Gb-Ab
I'm overjoyed
```
