Verse 1:

B E B
Leavin' home, out on the road
E B
I've been down before

Ridin' along in this big ol' jet plane
E B
I've been thinkin' about my home

But my love light seems so far away
A E B
And I feel like it's all been done

Somebody's tryin' to make me stay
A E B
You know I've got to be movin' on

Chorus:

```
      A        E       B
Oh big ol' jet airliner
       A             E        B
Don't carry me too far away
      A        E       B
Oh big ol' jet airliner
                     A           E             B*x4
Cause it's here that I've got to stay
```

Verse 2:

```
B                      E             B
 Goodbye to my friends at home
E                                 B
 Goodbye to people I've trusted

I've got to go out and make my way
                E                                  B
I might get rich you know I might get busted

But my heart keeps calling me backwards
       A              E   B
As I get on the 707

Ridin' high I got tears in my eyes
                    A                        E
You know you got to go through hell
                B
Before you get to heaven
```

Chorus:

```
      A        E       B
Oh big ol' jet airliner
       A             E        B
Don't carry me too far away
      A        E       B
Oh big ol' jet airliner
                     A           E             B*x4
Cause it's here that I've got to stay
```

Verse 3:

B E B
Touchin' down in New England town
E B
Feel the heat comin' down

I've got to keep on keepin' on
E B
You know the big wheel keeps on spinnin' around

And I'm goin' with some hesitation
A E B
You know that I can surely see

That I don't want to get caught up in any of that
A E B
Funky shit goin' down in the city

Chorus:

A E B
Oh big ol' jet airliner
A E B
Don't carry me too far away
A E B
Oh big ol' jet airliner
A E B*x3
Cause it's here that I've got to stay
B*x1
Yeah, yeah, yeah, yeah

Chorus:

A E B
Oh big ol' jet airliner
A E B
Don't carry me too far away
A E B
Oh big ol' jet airliner

A E B5
Cause it's here that I've got to stay
