Verse 1:

```
            Am     F   E7
Man it's a hot one
                                  Am          F E7
Like seven inches from the midday sun
                                       Dm7   Dm7/C  Bm7b5 E/G#
Well I hear you whisper and the words melt everyone
                    Am  F   E7
But you stay so cool
            Am  F   E7
My muñequita
                                  Am  F   E7
My Spanish Harlem Mona Lisa
                     Dm7      Dm7/C  Bm7b5
You're my reason for reason
E/G#         Am          F   E7
The step in my groove,
```

Chorus:

```
                    Am      F     E7
And if you said this life ain't good enough
                  Am        F   E7
I would give my world    to lift you up
```

```
                          Am    F E7                    Dm7 Dm7/C Bm7b5
I could change my life       to better suit your mood
G7                    F#7sus4 E7
'Cause you're so smooth
          Am              F     E7
And it's just like the ocean under the moon
                   Am                   F          E7
Well that's the same as the emotion that I get from you
      Am                    F        E7
You got the kind of lovin' that can be so smooth, yeah
Dm7 N.C                  E7
Gimme your heart make it real
N.C
Or else forget about it

If you would leave it'd be a crying shame

In every breath and every word I hear       your name calling me out

Well out from the barrio
                                  Am  F   E7
you hear my rhythm on your radio

You feel the turning of the world so soft      and slow
                 Am    F   E7
Turning you round    and round
```
